## V. EDUCATION

1. Approval of Pilot Program Related to Timing of NCLEX Testing for Nursing Students

Dr. Mary Ann Lewis presented a proposal to the Indiana State Board of Nursing for a pilot program that would permit nursing students to sit for the NCLEX upon completing or as part of the last of their nursing program's coursework but prior to official graduation. The Board discussion revolved on how this would be implemented and in what ways this would offer a distinction from how it works currently, where the requirements state that in order to be eligible for licensure by examination, the student only needs to successfully complete all of the coursework of an approved program. A motion was made and seconded to deny the request for a pilot program and to direct Dr. Lewis to work with a Board Member on structuring a proposal.
